INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Western Environmental Law Center
Eugene, Oregon

We have audited the accompanying financial statements of Western Environmental Law Center (a nonprofit organization), which comprise the statements of financial position as of December, 31 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

WESTERN ENVIRONMENTAL LAW CENTER
NOTES TO FINANCIAL STATEMENTS

1. Nature of Operations and Summary of Significant Accounting Policies

Organization

Western Environmental Law Center's (WELC) mission is to use the tools of law to help protect and restore the environment, and to serve as an advocate for people, wildlife, and communities throughout the West. WELC's fee and reimbursements income consists of legal awards, settlements, and fees from public interest environmental legal cases.

Basis of Accounting

WELC's financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities. Net assets, revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of WELC and changes therein are classified and reported as follows:

- *Unrestricted net assets* — Net assets that are not subject to donor-imposed stipulations and revenues and support that are restricted but whose restrictions are met during the fiscal year.
- *Temporarily restricted net assets* — Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the WELC and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.
- *Permanently restricted net assets* — WELC has no permanently restricted net assets.

Basis of Presentation

Financial statements are presented in accordance with U.S. generally accepted accounting principles, which require WELC to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Income Tax Status

WELC is an exempt organization under Section 501(c)(3) of the Internal Revenue Code. In addition, WELC qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2). WELC files required informational returns with both the U.S. federal jurisdiction and the state of Oregon.

WESTERN ENVIRONMENTAL LAW CENTER
NOTES TO FINANCIAL STATEMENTS

1. Nature of Operations and Summary of Significant Accounting Policies, continued

Receivables Policies

Some of WELC's program services are performed on a contingency fee basis. No interest on receivables is charged unless court ordered. No receivables for services are booked until final settlement is reached. If there is a contractual agreement for WELC to receive payment for fees and/or costs directly from the client, then WELC will book that receivable as it is earned. If receivables become uncollectible, they are written-off directly. Management determines the collectability and current or non-current status on a case by case basis. If associated with an active case, those costs may ultimately be recovered through a settlement or court decision.

Property and Equipment

Depreciation of equipment is provided over the estimated useful lives, using the straight-line method. Purchased assets are recorded at historical cost. Donated assets are recorded at fair value at date of contribution. Additions, betterments, and replacements are capitalized. Expenditures for normal maintenance and repairs and replacements are charged to expense as incurred.

Donations

WELC reports grants and gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

WELC reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts with explicit restrictions that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, WELC reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

In-kind Donations

In-kind donations are valued at market value at the date of donation. WELC recognizes as contributions and expenditures those gifts of services requiring specialized skills and donated items at fair market value.

Expense Allocation

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

WESTERN ENVIRONMENTAL LAW CENTER
NOTES TO FINANCIAL STATEMENTS

2. Cash and Cash Equivalents

WELC's cash and cash equivalents consists of cash on hand and demand deposits, including a money market account, with multiple financial institutions.

3. Accounts Receivable

As of December 31, 2015 and 2014, accounts receivable consisted primarily of fees from legal actions and contracted services. Management periodically evaluates the collectability of receivables. Amounts are considered fully collectible; therefore, no allowance for doubtful accounts has been recorded. Receivables are written-off as uncollectible when all avenues for collection have been exhausted.

As of December 31, accounts receivable consisted of the following:

	<u>2015</u>	<u>2014</u>
Fees from legal actions	\$ 243,999	\$ 15,504
Contracted services	17,500	12,500
Other receivable	<u>60</u>	<u>675</u>
Total accounts receivable	<u>\$ 261,559</u>	<u>\$ 28,679</u>

4. Certificate of Deposit

Certificate of deposit consists of a demand deposit with a maturity greater than three months. The certificate of deposit is recorded on the statements of financial position at cost plus interest earned. Interest income from the certificate of deposit was \$2,818 and \$3,639 as of December 31, 2015 and 2014, respectively, and is included in interest income.

5. Funds Held in Trust

WELC maintains separate bank accounts for funds held in trust. These funds are mostly comprised of attorney retainers and fee recoveries. These funds are held in trust until they are distributed to the appropriate parties.

6. Concentration of Credit Risk

WELC maintains cash and cash equivalents and certificate of deposit balances in some bank accounts, exceeding the Federal Deposit Insurance Corporation (FDIC) depository insurance limit of \$250,000. At December 31, 2015 and 2014, WELC's balances exceeded FDIC depository insurance by \$619,036 and \$801,196, respectively.

WELC has accounts receivable from various parties under the terms of contracts and settlement agreements. At December 31, 2015, 76.7% of the total accounts receivable balance was due from one party under the terms of a fee settlement agreement. There was no such concentration at December 31, 2014.

WESTERN ENVIRONMENTAL LAW CENTER
NOTES TO FINANCIAL STATEMENTS

7. Beneficial Interest in the Assets of The Oregon Community Foundation (OCF)

In 2007, a board designated endowment fund (Fund) was established at the Oregon Community Foundation (OCF). This Fund is used by OCF as the source of unrestricted grants for WELC. The agreement with OCF stipulates that the Fund shall be held and owned by OCF. OCF may distribute, on an annual basis, a fixed percentage of the Fund assets. The percentage is determined by the Board of Directors of OCF. The agreement also provides that, upon written request from a majority of the Board of Directors of OCF, additional distributions may be made from the Fund assets, even to the exhaustion of the Fund.

The following schedule summarizes the activity of the Fund, reported at fair value, for the years ended December 31:

NOTES TO FINANCIAL STATEMENTS

11. Defined Contribution Pension Plan

Effective April 1, 2011, WELC sponsored a 401(k) deferred compensation plan, with a safe harbor plan. Effective July 1, 2012, the plan was amended to no longer include matching contributions made by WELC. During the years ended December 31, 2015 and 2014, WELC contributed \$-0- of employer contributions to employer plans.

12. Contingencies

WELC has elected to self-insure for unemployment. The contingent liability is not subject to measurement. In 2015 and 2014, there were two former employees who had been separated from service and were within the unemployment look back period. The State of Oregon Employment Department required WELC to hold separately an unemployment reserve of \$10,000 and \$11,000 at December 31, 2015 and 2014, respectively.

13. Compensated Absences

WELC accrues earned vacation time. The amount payable at December 31, 2015 and 2014, was \$29,369 and \$25,082, respectively. WELC has a sabbatical program under which employees can earn three months of paid leave every five years of employment. Certain WELC employees use WELC credit cards for organizational expenses. At December 31, 2015 and 2014, the combined balance on these cards was \$12,655 and \$13,293, respectively. As of December 31, 2015 and 2014, the combined available credit on all the cards was \$57,345 and \$51,707, respectively.
